上海翊安防护用品有限公司
Shanghai Inchoi Safety Products Co., Ltd.

Shanghai Inchoi Safety Products Co., Ltd. is a professional manufacture and exporter of working gloves in China.

We can supply a wide range of working gloves that protect workers from many potential risks. Backed up by 20 years experience of manufacturing and exporting working gloves, we have good connections with customers in European countries, North America, South America, Asia and all over the world.

We offer all of the following gloves:

- ① General Purpose gloves like PU, Latex, Nitrile.
- ② Impact & Vibration gloves.
- ③ ECO-friendly gloves.
- ④ Cut resistant gloves.
- ⑤ Mechanical gloves.
- ⑥ Garden gloves.
- ⑦ Winter gloves.
- ⑧ More!

Our gloves are approved by Intertek and CTC according to new European directive 2016/425 EN 388:2016.

We focus on safety and continuous technology innovation, and won valued support from customers all over the world by constantly improving quality, delivery time and services.

Go further, Make better. We never ask ourselves how we can make something cheaper, we ask ourselves how we can make it better.

INCHOI, FOCUSED ON GLOVES!

NITRILE Gloves

Code: 2001W

Code: 2001B

Code: 2001R

Code: 2001G

- Nitrile gloves coated gloves, with 13 gauge polyester liner.
- Seamless lining for extra comfort and excellent breathability.
- Nitrile dipping provides a secure grip and abrasion resistance.
- Size range: 6, 7, 8, 9, 10, 11.
- EN 388:2016 4121X

APPLICATIONS

Code: 2005

Code: 2005R

Code: 2005G

Code: 2005Y

- Nitrile gloves coated gloves, with 13 gauge U3 polyester liner.
- Seamless lining for extra comfort and excellent breathability.
- Nitrile dipping provides a secure grip and abrasion resistance.
- For general assembly handling and engineering applications.
- Size range: 6, 7, 8, 9, 10, 11.
- EN 388:2016 3121X

APPLICATIONS

NITRILE Gloves

Code: 2105

Code: 2106

Code: 2107

- Water-Based Nitrile coated gloves.
- Nitrile dots available.
- Lycra/Nylon mixed lining for extra comfort and excellent breathability.
- Water-based Nitrile for dexterity and comfort with sensitivity.
- Size range: 7, 8, 9, 10, 11.
- EN 388:2016 4131X

APPLICATIONS

Code: 2203Y

Code: 2203BL

Code: 2203

- Sandy Nitrile coated palm and fingers.
- 13 gauge polyester liner.
- Seamless lining for extra comfort and excellent breathability.
- Nitrile dipping provides a secure grip and abrasion resistance.
- For general assembly handling and engineering applications.
- Size range: 6, 7, 8, 9, 10, 11.
- EN 388:2016 4131X

APPLICATIONS

Code: 2301

Code: 2302

Code: 2303

Code: 2304

- Heavy-duty Nitrile coated gloves.
- Jersey liner absorbs sweat and provides a good feeling during work.
- Nitrile dipping provides a secure grip and abrasion resistance.
- Size range: 8, 9, 10, 11.
- EN 388:2016 4111X

APPLICATIONS

Code: 2305

Code: 2306

Code: 2307

Code: 2308

- Heavy-duty Nitrile coated gloves.
- Interlock liner absorbs sweat and provides a good feeling during work.
- Nitrile dipping provides a secure grip and abrasion resistance.
- Size range: 7, 8, 9, 10, 11.
- EN 388:2016 3111X

APPLICATIONS

PU Gloves

Code: 1005

Code: 1005BL

- PU coated palm and fingers.
- 18 gauge Nylon liner.
- Seamless lining for extra comfort and excellent breathability.
- Light weight for maximum dexterity and comfort with sensitivity.
- Size range: 6, 7, 8, 9, 10, 11.
- EN 388:2016 3121X

18
Gauge

APPLICATIONS

Code: 1002
PU palm and fingers coated

Code: 1003
PU fingertips coated

Code: 1004
Without coating

- 13 gauge carbon fiber.
- Carbon fiber for ESD.
- Light weight for maximum dexterity and comfort with sensitivity.
- Suitable for general assembly handling and engineering applications.
- Size range: 6, 7, 8, 9, 10, 11.

APPLICATIONS

FROM BOTTLES TO GLOVES

1
Recycled plastic bottles.

2
Processed into tiny chips.

3
Chips are spun into rPET yarn.

4
Yarn is used to make gloves.

- Reduced water consumption in production.
- Reduced emissions in production.
- Reduced energy consumption per unit produced.

RPET GLOVES ECO-Friendly

Code: 1009
PU coated

Code: 3117
Micro-Foam Nitrile

Code: 2112
Sandy Nitrile

Code: 2008
Foam Latex

- Skin Friendly RPET liner.
- Light weight and breathable.
- PU coated palm for grip.
- Nitrile dipping provides a secure grip and abrasion resistance.
- Soft Latex coating provides durability dexterity and grip.

Code: 2006
Smooth Nitrile

Code: 2007
Smooth Nitrile

Code: 2110
Foam Nitrile

Code: 3116
Foam Latex

- Skin Friendly Bamboo Lining.
- Light weight and breathable.
- PU coated palm for grip.
- Nitrile dipping provides a secure grip and abrasion resistance.
- Soft Latex coating provides durability dexterity and grip.

LATEX Gloves

KIDS PROTECTION GLOVES

Product Code: 2107

Product Code: 2108

Product Code: 3115

Product Code: 3116

- Bright candy colors.
- Smooth Nitrile coating for grip.
- Child-friendly motives on the back of the hand, good fit.
- The perfect gloves for boys and girls to work in the garden.

- Bright candy colors.
- Natural soft foamed Latex coating.
- Child-friendly motives on the back of the hand, good fit.
- The perfect gloves for boys and girls to work in the garden.

- EN 388:2016 3131X

APPLICATIONS

Code: 3107

Code: 3108

Code: 3109

- Foam Latex embossed coated gloves.
- 13 gauge polyester liner.
- Seamless lining for extra comfort and excellent breathability.
- Latex dipping provides a secure grip resistance.
- Size range: 7, 8, 9, 10, 11
- EN 388:2016 3131X

APPLICATIONS

LATEX WINTER Gloves

3002 LATEX HALF COATED

- Latex coated palm and fingers.
- Hi-Vi Acrylic Napping liner.
- Seamless lining for extra comfort.
- Latex dipping provides a secure grip resistance.
- Work at low temperatures.
- Size range: 7, 8, 9, 10, 11

Code: 3002O

Code: 3002Y

3004 LATEX THUMB COATED

- Latex coated palm and thumb.
- Hi-Vi Acrylic Napping liner.
- Seamless lining for extra comfort.
- Latex dipping provides a secure grip resistance.
- Work at low temperatures.
- Size range: 7, 8, 9, 10, 11

Code: 3004O

Code: 3004Y

3016 LATEX 3/4 COATED

- Latex coated gloves.
- Hi-Vi Acrylic Napping liner.
- Seamless lining for extra comfort.
- Latex dipping provides a secure grip resistance.
- Work at low temperatures.
- Size range: 7, 8, 9, 10, 11

Code: 3016O

Code: 3016Y

CUT RESISTANT Gloves

4601BL CUT Resistant Gloves 21 Gauge - Touchscreen

- 21 Gauge HPPE liner with stainless steel fiber.
- Touchscreen compatible
- Crook of thumb reinforced.
- Super light-weight and ergonomically designed.
- For automotive assembly, glass manufacturing and metal handling use.

Materials

Coating: Micro-Foam Nitrile
Liner: 21 Gauge HPPE
Size: 7, 8, 9, 10, 11

4601GN CUT Resistant Gloves 21 Gauge - Touchscreen

- 21 Gauge HPPE liner with stainless steel fiber.
- Touchscreen compatible
- Crook of thumb reinforced.
- Super light-weight and ergonomically designed.
- For automotive assembly, glass manufacturing and metal handling use.

Materials

Coating: Micro-Foam Nitrile
Liner: 21 Gauge HPPE
Size: 7, 8, 9, 10, 11

4602 CUT Resistant Gloves 21 Gauge - Touchscreen

- 21 Gauge HPPE liner with stainless steel fiber.
- Touchscreen compatible
- Super light-weight and ergonomically designed.
- For automotive assembly, glass manufacturing and metal handling use.

Materials

Coating: Micro-Foam Nitrile
Liner: 21 Gauge HPPE
Size: 7, 8, 9, 10, 11

CUT RESISTANT Gloves

Code: 4101GC

Code: 4101BC

Code: 4101YC

Code: 4101OC

- PU coated palm and fingers.
- 13 Gauge HPPE mixed fiber.
- Excellent protection for anti-cut applications.
- Size range: 6, 7, 8, 9, 10, 11
- EN 388:2016 4X43C
- EN 388:2016 4X43F

APPLICATIONS

Code: 4103GF

Code: 4103GFRB

Code: 4103YF

Code: 4103YFRB

- Sandy Nitrile coated palm and fingers.
- Crook of thumb reinforced available..
- 13 Gauge HPPE mixed fiber.
- Excellent protection for anti-cut applications.
- Size range: 7, 8, 9, 10, 11
- EN 388:2016 4X43D
- EN 388:2016 4X43F

APPLICATIONS

Code: 4101GCRG

Code: 4201GC

- PU coated gloves.
- 13 Gauge HPPE mixed fiber.
- Crook of thumb reinforced.
- Size range: 6, 7, 8, 9, 10, 11
- EN 388:2016 4X43C
- EN 388:2016 4X43F

APPLICATIONS

Code: 4603

Code: 4604

- Double coated Sandy Nitrile CUT gloves.
- 13 Gauge HPPE mixed fiber.
- Excellent protection for anti-cut applications.
- Size range: 7, 8, 9, 10, 11
- EN 388:2016 4X43D
- EN 388:2016 4X43F

APPLICATIONS

IMPACT & VIBRATION Gloves

Code: 4201

Code: 4206

Code: 4202

Code: 4204

- HPPE mixed fiber + Sandy Nitrile + TPR protection.
- Additional impact protection on back of hand.
- Crook of thumb reinforced.
- Size: 7, 8, 9, 10, 11
- EN 388:2016 4X43DP

APPLICATIONS

- HPPE mixed fiber + Sandy Nitrile + TPR protection.
- Additional impact protection on back of hand.
- Crook of thumb reinforced.
- EVA padding. • Velcro cuff.
- Size: 7, 8, 9, 10, 11
- EN 388:2016 4X43DP

APPLICATIONS

Code: 4209

Code: 4210

Code: 4211

Code: 4212

- Breathable 7 gauge polyester seamless liner.
- Comfortable, flexible Foam Rubber.
- Elastic cuff for secure fit.
- For automotive, drilling, heavy construction.
- Size range: 8, 9, 10, 11

APPLICATIONS

- 13 gauge HPPE liner.
- Comfortable, flexible Foam Rubber.
- Elastic cuff for secure fit.
- For automotive, drilling, heavy construction.
- Size range: 8, 9, 10, 11

APPLICATIONS

MECHANICAL Gloves

Product Code: 8001

Product Code: 8002

- Impact gloves.
- Synthetic leather palm with high abrasion resistance.
- Stretch-Spandex back offers exceptionally dexterity.
- High-density foamed EVA shell.
- Knuckle impact protection.
- Velcro adjustment for great fit.

APPLICATIONS

- Touch screen gloves.
- Stretch-Spandex back offers exceptionally dexterity.
- Synthetic leather palm with high abrasion resistance.
- Reinforcement palm.
- Velcro adjustment for great fit.

APPLICATIONS

Product Code: 8003

Product Code: 8004

- Fingerless gloves.
- Synthetic leather palm with high abrasion resistance.
- Stretch-Spandex back offers exceptionally dexterity.
- PVC reinforcement palm.
- Velcro adjustment for great fit.

APPLICATIONS

- Impact gloves.
- Synthetic leather palm with high abrasion resistance.
- Stretch-Spandex back offers exceptionally dexterity.
- PVC reinforcement palm.
- Knuckle impact protection.
- Velcro adjustment for great fit.

APPLICATIONS
