ABOUT US

Zhejiang Inchoi Safety Products Co., Ltd. is a professional glove manufacturer established in 2006, located in Zhejiang Province, China. Our factory specializes in the production of various sewn gloves, covering work gloves, sports gloves, winter gloves and functional gloves. In 2018, we established the Shanghai office to strengthen our overseas sales and customer service.

Our factory is equipped with complete production lines, including cutting, printing, sewing, inspection and packing workshops. Over the years, we have continuously invested in automated production equipment to improve output and product consistency. We have built a strict quality control system from raw material inspection to final packaging, and our products have obtained CE Certification, passed BSCI and ISO 9001 audits.

With 20 years of manufacturing and export experience, we have built long-term stable partnerships with global clients by consistently upgrading product quality, optimizing lead times and providing reliable after-sales support. We keep safety at the core of all R&D and production, and continuously improve our production processes to meet evolving global workplace protection standards.

OUR PRODUCTION PROCESS

CUTTING

- Spread and cut fabric according to marker.
- In-process check: Cut piece count & size accuracy.

PRINTING

- Apply brand logo.
- Check: Position accuracy and adhesion strength.

SEWING

- Stitch all parts together per spec.

IPQC

- 100% inspection for visible defects: loose threads, broken stitches, mis-printing, and size.

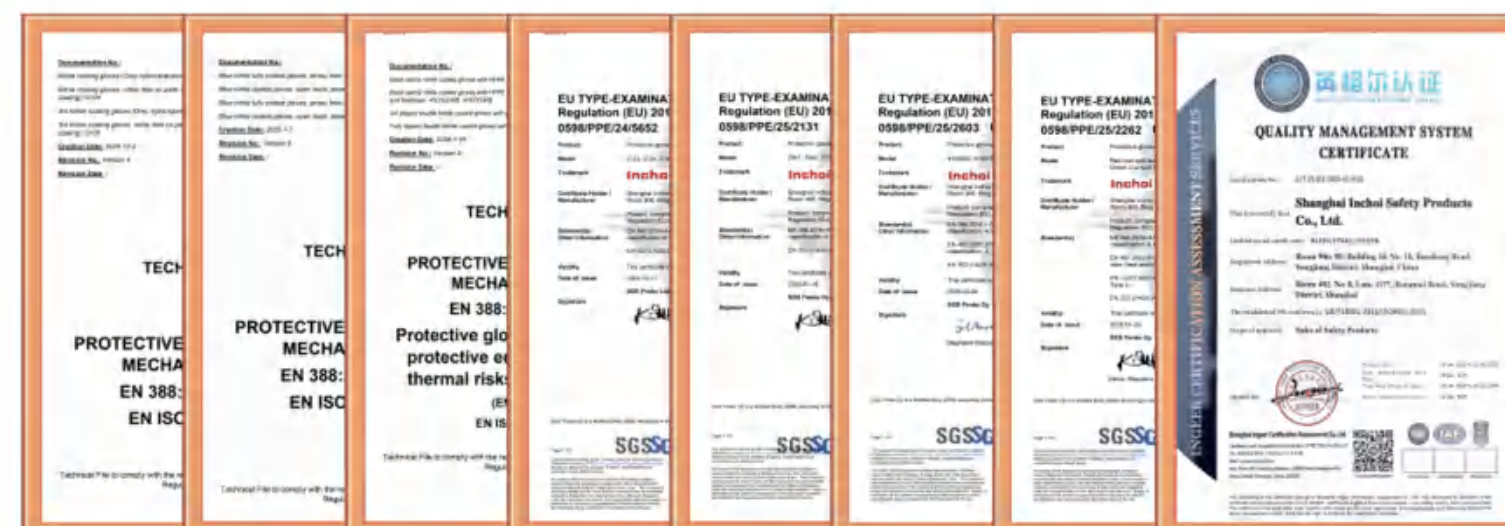

IRONING

- Final shaping and smoothing to ensure proper appearance and size stability.

FINAL QC & PACKING

- Final inspection.
- Fold gloves, attach hang tags, pack into polybags.
- Seal cartons with packing list and shipping mark.

Mechanical Gloves with Padded Palm & Reinforced Thumb

8001

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb

Mechanical Gloves with Padded Palm & Reinforced Thumb

8002

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Pre-curve fingers for great fit and grip
- Velcro adjustment for great fit.
- Reinforced Thumb

Mechanical Gloves with Padded Palm & Reinforced Thumb

8003

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb

Mechanical Gloves with PU Palm & Spandex Back

8004

- PU palm provides excellent grip, flexibility, and abrasion resistance.
- Spandex back offers exceptionally dexterity.
- Velcro adjustment for great fit.

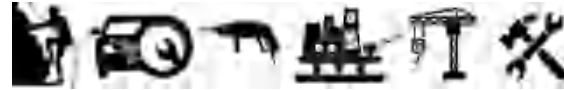

Secure Grip Flexible Comfort

Mechanical Gloves with Padded Palm & Reinforced Thumb

8005

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb.

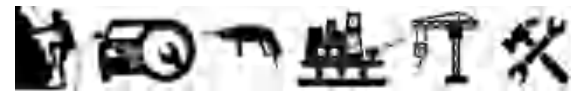

Mechanical Gloves with Padded Palm & Reinforced Thumb

8006

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb.

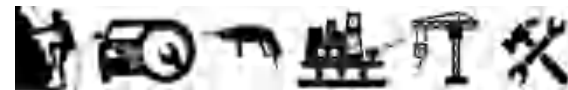

Mechanical Gloves with Padded Palm & Reinforced Thumb

8007

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Reinforced palm

8008

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8009

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8010

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8011

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Silicone Dots

8012

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Silicone on palm for exceptionally grip and slip resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

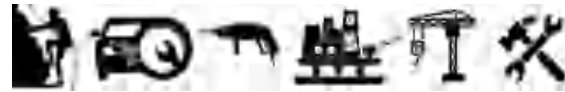

Mechanical Gloves with Padded Palm & Reinforced Thumb

8013

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb.

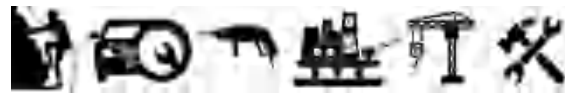

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8014

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8015

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

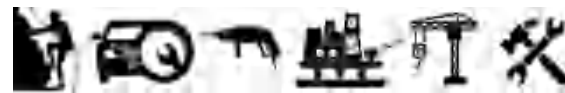

Mechanical Gloves with Silicone

8016

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Silicone on palm for exceptionally grip and slip resistance.
- Velcro adjustment for great fit.
- Silicone dot palm for extra grip.
- Reinforced Thumb.

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8017

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Two layers stretch-spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8018

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Pre-curve fingers for great fit and grip
- Velcro adjustment for great fit.
- Reinforced Thumb

Mechanical Gloves with Goat Leather Palm & Spandex Back

8020

- Goat leather offers superior durability and a soft touch..
- Spandex back offers exceptionally dexterity.
- Velcro adjustment for great fit.

Mechanical Gloves with Goat Leather Palm & Spandex Back

8021

- Goat leather offers superior durability and a soft touch.
- Spandex back offers exceptionally dexterity.
- Velcro adjustment for great fit.

Mechanical Gloves with Padded Palm & Reinforced Thumb

8022

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Reinforced Thumb.

Mechanical Gloves with Padded Palm & Reinforced Thumb

8023

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Silicone on palm for exceptionally grip and slip resistance.
- Velcro adjustment for great fit.

Mechanical Gloves with Reinforced Thumb

8024

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Reinforced Thumb.

Mechanical Gloves with Reinforced Palm & Thumb

8025

- Goat leather offers superior durability and a soft touch.
- Spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.

Mechanical Gloves with Padded Palm & Reinforced Thumb

8026

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Reinforced Thumb.

Mechanical Gloves with Padded Palm & Reinforced Thumb

8027

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Reinforced Thumb.

Mechanical Gloves with Half Finger

8101

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- PVC-reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.

Mechanical Gloves with Half Finger

8102

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.

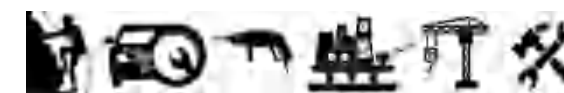

PROTECTION MEETS PERFORMANCE

Mechanical Gloves with Knuckle Protection & Reinforced Thumb

8201

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Padded Palm & Reinforced Thumb

8202

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Knuckle Protection & Reinforced Thumb

8204

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Velcro adjustment for great fit.
- Reinforced Thumb.

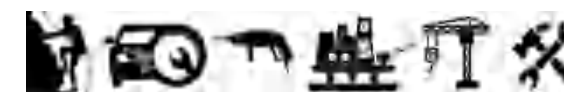

Mechanical Gloves with Knuckle Protection & Reinforced Thumb

8025

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8206

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Knuckle Protection & Reinforced Thumb

8209

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Knuckle protection protects the joints from impact and injury.
- Reinforced Thumb.

Mechanical Gloves with Padded Palm & Reinforced Thumb

8210

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Padded Palm & Reinforced Thumb

8211

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Reinforced Thumb.

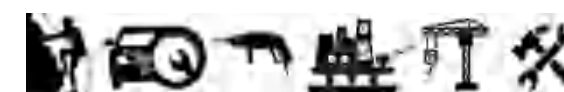

Mechanical Gloves with Padded Palm & Reinforced Thumb

8212

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Breathable foam padding palm reduces vibration and improves comfort for all-day use.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Knuckle Protection & Reinforced Thumb

8213

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Knuckle protection protects the joints from impact and injury.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8214

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

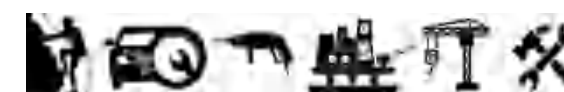

Mechanical Gloves with Reinforced Palm & Reinforced Thumb

8215

- Synthetic leather palm with high abrasion resistance level combines with breathable, durable & washable performance.
- Spandex back offers exceptionally dexterity.
- Reinforced palm for superior abrasion resistance.
- Velcro adjustment for great fit.
- Reinforced Thumb.

Bloom where you are planted.

Garden & Work Gloves - Comfort & Durability

- Synthetic leather offers high abrasion resistance, soft touch and long-lasting durability.
- Spandex provides breathability, flexibility and excellent dexterity.
- Velcro adjustment for great fit.
- Ideal for planting, weeding, pruning, seeding and potting.

8612

Garden & Work Gloves - Comfort & Durability

- Synthetic leather offers high abrasion resistance, soft touch and long-lasting durability.
- Spandex provides breathability, flexibility and excellent dexterity.
- Long cuff for extra forearm protection against thorns, scratches, and debris..
- Ideal for planting, weeding, pruning, seeding and potting.
